

Thank-you letter

Poetry and Pizza night: The teens participating in the Nourishing the Community program wish to thank the following people for helping us to serve our community meal in Orange during the Poetry and

Pizza night we held on Jan. 20.

Thank you so much to elementary school superintendent, Helen Vivian, her office staff, Sherry Fiske, Bonnie Hurtle, Gayle King, Diana Towle and Mike Labshere for allowing us to use the Butterfield School kitchen and for cleaning what we missed.

Thank to Jerry Wayland from the Young Entrepreneurs Society for helping us to make pizza and to Don Deane, his boss at the Orange House of Pizza for helping us with

supplies. Soren Rono let us use space in his building, Manny King of the Orange Revitalization Partnership helped us set up and take down, and Pam and Penny Smith lent us their card tables.

Thanks to all of you. You helped

to make this event a success.

We also want to thank several of our peers for the extra effort they gave to pull this event together: Kasi Stroup, Tyla Ellis, Vicki Figueroa and Dennis Connor for shopping the night before and Shane Le-

blanc for coming up with the idea and organizing it with Joanna Rodriguez.
